

Household recycling centre opening hours are changing.

From 13 July 2015
all household recycling
centres will have a **5**
day opening week
from **10am – 4pm**.

No sites will be
permanently closed.

Why do we need to change?

Central government has cut the allocation of funding to Wiltshire Council by more than £15m this year. This, combined with the rise in demand for key services, the growth in the number of households, and inflation, means the council has to save £30m.

Tough choices have to be made including the review of opening hours of our 11 household recycling centres.
